Sir,

With reference to your letter No. 2092/Muz. 299-22-2 dated the 16th January 1923 regarding the marginally noted subject proposed by Mr. H.S. Chickanna Gowda, Belur Taluk, at the last Dasara Representative Assembly, I have the honor to forward herewith copy of Hassan District Deputy Commissioner's letter no. H.C. 279-22 dated the 9/10th March 1923 stating that the temple in question enjoys an annual cash grant of Rs. 174/- barely enough to meet the cost of establishment and Nityakatle, leaving a small sum of Rs. 18/- for Hetchukatle and that the prayer of the member is for an additional grant either in cash or in lands in order to provide for important celebrations and sevas such as car festival etc. The Deputy Commissioner proposes a revised scale of expenditure for Rs. 750/- providing Rs. 500/- for car festival and Rs. 60/- for musicians and an addition of Rs. 10/- and 8/- respectively under Nityakatle and Hetchukatle in order to make this temple a centre of attraction both for its architectural beauty and as a place of pilgrimage and an annual grant-in-aid from the State Grant is sought for. I am of opinion that if the proposer and other devotees show earnestness by making contribution in lands or money, a suitable

Letter No. H.C. 279-22 dated 9/10th March 1923 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore:--

---

"With reference to your letter No. C.760/22-23 dated the 20th November 1922, calling for a report on the Local Subject No. 6 re arrangements for conduct of sevas in the Halebid Temple, Belur Taluk, brought up at the last Dasara Session of the Representative Assembly, I have the honor to state that the temple gets an annual cash grant of Rs. 174/- which is utilised for the marginally noted purposes, and is not endowed with inam lands for its support. The prayer of the member is that either increased cash grant might be given or inam lands endowed to the temple in order to provide funds for important celebrations and sevas such as car festival etc., which are necessary for maintaining the importance and popularity of the temple. Both the Amildar and the Sub Division Officer report that the present interest of the temple is mainly architectural, that the importance of the temple would be greatly enhanced if a devotional atmosphere is created and propose that an annual grant of Rs. 750/- might be sanctioned for the marginally noted purposes. The present grant is very inadequate and excepting a paltry amount of Rs. 18/-, the whole allotment is utilised for Nityakatle and pay of archak etc., No amount has been allotted for car festival which is the only means of attracting a large number of devotees. If the Government are pleased to sanction the additional amount out of State Grant annually, I think the temple would become a centre of attraction not only for its architectural beauty but also as a place of pilgrimage".
